Crack steps

first install Quartus 11.0 software:

Open Quartus_11.0_x86_crack.exe.

Click "应用", and search your installation, the sys_cpt.dll path under

D:\altera\11.0\quartus\bin, then click '打开'

(NOTE:the default installation path is C:\altera\11.0\quartus\bin)

#Then save the license.dat generated in the your quartus install path
